From L to R: Amanda L. Rogan, PA-C; Jean R. Fairchild, PA-C; Steve V. Nguyen, MD; Nam Dinh, MD; Marilyne Etienne, PA-C

WHAT SETS US APART: Optimotion Orthopaedics is excited to introduce our latest surgeon, Dr. Nam Dinh, a fellowship-trained joint replacement surgeon with superior technical skills. His surgical skills, coupled with his compassionate approach to patient care, have resulted in superior outcomes with high patient satisfaction rates. Our group's mission is to deliver the best possible outcomes for our patients in the shortest amount of time. Recruiting high quality surgeons, honing our skills, and perfecting our protocols allow us to deliver consistent high-quality care. Services that are unique to our practice include ambulatory total joint replacement, lateral approach total knee replacement, and anterior robotic hip replacement. **EDUCATION/CERTIFICATIONS:** Gonzaga University, Bachelor of Science in Biology; Creighton University School of Medicine, Doctor of Medicine;

University of Kansas School of Medicine, 5 years of Orthopaedic Residency; Mercy Medical Center in Baltimore, MD., 1 year of advanced training in complex Adult Reconstruction and Joint Replacement Fellowship; Board Certified in Orthopaedic Surgery. **MEMBERSHIP/AFFILIATIONS:** Diplomate of the American Board of Orthopaedic Surgery; Fellow of the American Academy of Orthopaedic Surgeons (FAAOS); Member of American Association of Hip and Knee Surgeons (AAHKS). **PERSONAL ACHIEVEMENTS:** Being a good husband to my wife and a father and role model to our two beautiful daughters. Overcoming personal obstacles to accomplish my goal of becoming an orthopaedic surgeon after I came to the United States at age 15. Traveling to developing countries with faith-based organizations for medical missions and joint replacement surgeries.
